

## Hilton Maldives Resort & Spa

**The Hilton Maldives Resort & Spa combines the tropical splendour of the Maldives with world-class Hilton hospitality.** Set like an emerald in a turquoise sea, you arrive at this island paradise after a magical seaplane flight over an ocean scattered with island pearls. You are now a million miles from the nine-to-five. You awaken to the sounds of the ocean caressing your doorstep and the coco palms whispering in the breeze. Relax in the private whirlpool on your balcony and just gaze out over paradise. Or slip down to the spa and indulge in a soothing massage in one of the glass-floored treatment rooms over the crystal clear lagoon. The island is surrounded by a coral reef that makes for some of the most spectacular snorkelling and diving in the world. Here there are a thousand ways of doing nothing, but if you are feeling active you can choose from a full range of water sports and excursions. Then enjoy a private barbecue on the beach, or savour the fine wines and cuisine in the world-class restaurants. Hilton Maldives Resort & Spa undergoes renovation on one of its two islands. Rangalifinolhu island will be closed until April 2005 while Rangali island will continue to operate as normal. All information on this site reflects the facilities and services that will be available during this period. [Click here to learn more about this resort.](#)

### Facts
