

Holiday Island (Dhiffushi)

Holiday Island, a haven of privacy and tranquility, is located on the southern tip of Ari Atoll. A thirty minute seaplane trip or a two and a half hour speedboat ride from the airport will take you there.

Facts

The resort with lacy palms, white soft sandy beaches and its crystal clear lagoon, has 142 luxury beach front guest rooms. All come with A/C, hot and cold water, bath tub, bidet, mini bar, IDD telephones in the room and bathroom, with hair dryer, piped music, color TV with a selection of in-house videos and satellite programs.

The main restaurant offers Western and Oriental cuisine with rich and delicious buffets. A coffee shop serves A-la-Carte menus around the clock, and the bar offers a wide selection of drinks and cocktails.

Holiday Island offers a wide range of water sports: scuba diving, snorkeling, wind surfing, catamaran sailing, water skiing, jet skiing, parasailing, canoeing, banana riding. It also has floodlit tennis courts, billiard tables, volleyball, gymnasium, sauna, karaoke, a piano bar and much more. Entertainment includes discotheque, weekly live bands, cultural music shows and many more.

Trips to nearby villages and uninhabited islands, day and night fishing, big game fishing, full moon barbecues on a deserted island - they will all be memories you will never forget.
