

## Ranveli Village & Spa

Ranveli Village & Spa a tiny Island in the Indian Ocean, which is specially designed to accommodate the tropical holiday-makers visiting to the Maldives. The area is famous for it's abundant fish life with great diving sites. A paradise dream in real life with it's unique white beach and exotic environment with Peace and tranquility.

In this respect, Ranveli Village & Spa offers comfortable accommodation, delicious cuisine both Western and Oriental, water sports activities, in order to meet the requirement of our international clientele.

In Maldivian Language Ranveli means "GOLDEN SAND" with great snorkeling, incredible diving, night fishing, sailing and Island hopping, you'll hardly have a time for beach volleyball or to have a cocktail in our bars. Or if you prefer to do nothing but lie on the beach and work on your suntan, Ranveli offers you the romantic simplicity of a desert island with the sophisticated luxury necessary to complete the enchanted feeling of being in paradise..... Just True..... Simply the paradise.....
