

Royal Island (Horubadhoo)

ASSALAMU ALAIKUM

Royal Island Resort & Spa is the fifth and the latest creation of villa hotels in it is pursuit to create the perfect holiday destination. The uncompromising premier quality services and the amenities provided to our guests alone will justify the effort.

The name "Royal Island" is the combined results of the luxury of the resort plus the proud long history and the fact that the great hero of all time, Boduthakurufaan's grandmother has been buried here on this island. The remnant of the rich historical heritage and the natural beauty of Royal Island is in our best interest to save and to preserve for the generations to come.

It is always our prime concern that our guests are in total comfort and harmony with the service we provide and the facilities of the resort. For that reason our kitchens are equipped with very skilled chefs from different cultural backgrounds to provide not only good food but to make dining an experience that you will never forget. The wooden villas with the exotic furnishings will surely meet your highest expectation of a royal island. A fully equipped spa with the most caring therapists for your wellness and a wide range of sports facilities to keep you fit and entertained makes Royal Island a rare type of resort with everything.

Thank you for choosing Royal Island Resort & Spa and I would like to assure you that you have chosen the right place for a very memorable holiday.

We are committed to make your holiday an experience, which you will always treasure.

History

This five star resort called Royal Island has the local name Horubadhoo. Royal Island, opened in 2001 is located in Baa Atoll, which is approximately 110km from the Airport. Royal Island is just 800 meters long and 220 meters wide and has beach all around with an excellent marine life around.

Transfer to Royal Island

As soon as you arrive in Maldives at Male' International Airport, please visit the Villa Hotels Counter. Our representatives will assist you with your onward journey to Royal Island. If you wish to travel by speedboat, it takes 2 hrs & 40 minutes while the trip can be made via seaplane in only 35 minutes.
