

Soneva Gili Resort & Spa

Lankanfushi, where Soneva Gili is located, is one of the largest lagoons in the Maldives. Apart from the crystal clear waters, for which the Maldives are world-renowned, the island and lagoon provides the unique experience of combining natural lush vegetation on the island and an abundance of fish.

Soneva Gili Resort & Spa is the first all Water Villa resort in the Maldives. The intimacy of the island and the unique design of the villas, set along jetties that stretch into the lagoon, create a most serene environment from which to discover the many dive sites that may be explored in the Male' Atoll.

Soneva Gili Resort & Spa is setting the same standards for food in the Maldives that has made Soneva Fushi the best leisure resort in the world. From the fine wines to the excellent malts they achieved a reputation of providing guests a unique dining experience. Lankanfushi Island is surrounded by a shallow lagoon and enclosed by coral reef, providing crystal clear turquoise waters ideal for snorkeling and a variety of water sports. The resort has its own professionally staffed and fully equipped PADI diving school, offering some of the best diving in the world to both beginners and the most experienced divers.

At the Spa, professional beauty therapists and masseurs will provide a holistic experience in a unique facility set over the turquoise blue lagoon. An extensive number of treatments are available to pamper our guests from the specially designed jet lag treatment to the relief of stress.
